## Vision

To become the leading school of choice within Qatar, producing responsible and productive citizens for the betterment of society as a whole.

## First Day at Al Madina

The first day of kindergarten was a resounding success. Students were welcomed under a canopy of balloons and warmly inducted by their respective class teachers. Children excitedly took "My First Day of School" pictures with their equally ecstatic parents at the photo-booth designed by our staff. And the highlight of it all was the laughter of the kids echoing out from the Bouncing Castle.

# CELEBRATIONS

We had a fun school party for the students to celebrate the end of week 1 where the kids came dressed in their finest and brought snacks to share with their classmates. They were taught about the importance of healthy food in our diet and some even had a lovely picnic in the playground with their teachers.

## Busy Young Learners

Our students have enthusiastically learning their alphabet and numbers, English and Arabic, Qur'an and Halaqa and everything else about the wonderful world around them. Our teachers have been coming up with fun and exciting ways to impart lessons, such as making playdough from scratch and baking alphabet biscuits with the kids.

## Our Halaqa Time

At Al Madina, one of our goals is passing on the teachings of Islam to the new generation at an early age.

In Halaqa we introduce a simple concepts of Aqeeda, and encourage the Islamic behavior among the children. We pick a hadith every month and practice it throughout the month. We believe that this will inculcate good manners and morals in the children which will help them grow into admirable members of the Muslim society.

Hadith Of The Moth: Abu Hurairah (May Allah be pleased with him) reported:

Messenger of Allah (ﷺ) said, "You will not enter Jannah until you believe, and you shall not believe until you love one another. May I inform you of something, if you do, you love each other. Promote greeting amongst you (by saying As-salamu 'alaikum to one another)".

[Muslim].

### Reminder

It would really be a pity to see your child excluded out of group photographs, so do remember to send them to school in proper uniform each day! Also do not forget to send your child's homework diary to school in his/her bag everyday as it is the most effective means of communication with their Class Teacher.
